Dear Ladies,

I graciously stand and endorse Lady Kendra Gillespie for the position of National 2<sup>nd</sup> Vice President. She exemplifies strength, courage, commitment, and compassion for others, and we need this moving forward with the National Council of Negro Women (NCNW) Committee. She has helped to improve the lives of minority women and their families in all six (6) Areas of TLOD.

I encourage you all to vote for Lady Kendra...we can't lose momentum now!
